

Remarks

The Notice of Non-Compliant Amendment ("Notice") rejects the affidavit of Anat Bremler-Barr filed October 27, 2008, on the grounds that it lacks a proper date. The Notice states that the patent office received the document on 10/27/08 but that the affidavit shows a signature dated 11/09/08.

Applicants respectfully submit that the affidavit is properly dated. Mr. Bremler-Barr is a citizen of Israel and the convention for dating commonly used in Israel, among other places outside of the United States, is to provide the day, month and year (i.e., DD/MM/YY). Hence, the date on Mr. Bremler-Barr's affidavit is September 11, 2008, which clearly precedes its reception by the patent office on October 27, 2008. The date is correct and the affidavit is compliant.

Accordingly, Applicants respectfully request that the Notice be withdrawn and the affidavit entered.

No fee is believed due. However, should any fee be required, the Director is hereby requested and authorized to charge such fee to our Deposit Account No. 141449, under Order No. 103376-3.

Respectfully submitted,

/Joshua T. Matt/
